Re: Correction of Facility EPA Identification Number Information  
 TE Products Pipeline Company, Limited Partnership  
 TEPPCO Mont Belvieu North Terminal

TE Products Pipeline Company, Limited Partnership (TEPPCO) is submitting the following information to correct facility data located in the EPA database system. The information includes a correction in the facility name and address, as well as a revision in the legal company name. As confirmed through a recent telephone conversation with Carolyn White, the EPA database system currently indicates that the TEPPCO Mont Belvieu North Terminal possesses the following EPA Identification Number ~~TXD001368141~~ TXR000007112.

Previously, the RCRIS and FINDS databases showed another number as well for this facility. It is our understanding that the other number, TXD001368141 is no longer in the system.
